We, the staff, are proud to present Highlights '64. This book represents a lot of time, hard work, and patience on the part of the staff. However, it took the cooperation of the faculty, the students, and the administration to make its publication possible. This is not "our" book, but "your" book....it is filled with your activities, your sports, your school, and most of all, your memories.

The staff has chosen the theme "Avon Is." Perhaps, at first, you will wonder about the meaning of this theme. The title speaks for itself. We shall attempt to picturize all the things Avon-our city, and our school-means to us. "Avon Is" tradition, education, leaders, people, sports, organizations, fun, and commerce.

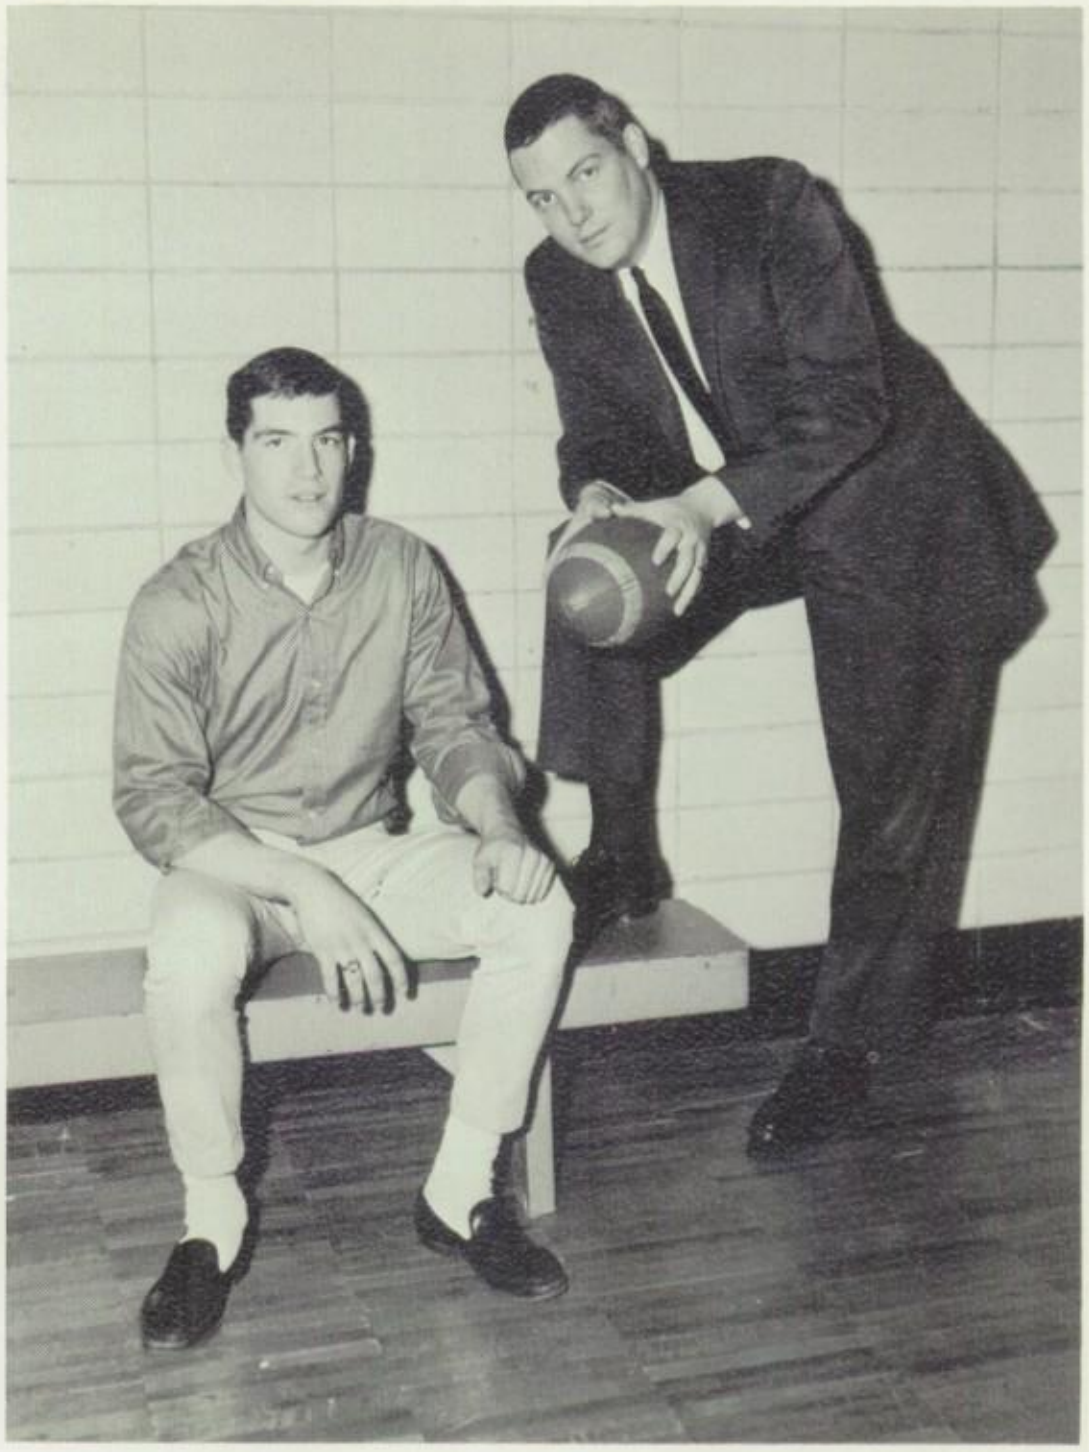
tradition

MRS. FITCH

We, the Annual Staff of 1963-'64, wish to dedicate this book to the Senior advisors. Mrs. Fitch and Mr. McQuaide have become more than just teachers to the entire student body....they have become friends. Mrs. Fitch has probably had all of us in one of her classes at one time or another. She is not an "easy grader" nor is she a disciplinarian. She is there to teach and that is just what she does. A student can't help but learn in her classes.

Mr. McQuaide, is known by most of the guys as "Coach." Because he is Head Football Coach, most of his classes try to get him off the subject to talk about sports. However, sports has no place in the classroom, and Mr. McQuaide keeps his students on the subject.

MR. McQUAIDE



Both Mrs. Fitch and Mr. McQuaide are especially endeared to the Seniors along with memories of the Junior Prom. How can we forget the cheese sandwiches and pop they brought that hectic Friday night before the Prom? How can we forget the sacrifices they made not only in our Junior year, but every year for the Class of '64? But, they haven't helped only the Seniors, they have helped the entire student body. This is just to thank you, Mrs. Fitch and Mr. McQuaide for your friendly smiles, your cheerful greetings, and your kindness to us all.

education

The Faculty and Administration, at Avon, serves the purpose of teaching, guiding, and developing students into responsible adults.

The Superintendent of schools in Avon is Mr. William H. Jones. Mr. Jones attended Rio Grande College, Ohio State University, and Western Reserve University. He majored in Chemistry and minored in Mathematics and Physical Education. He has earned a Bachelor of Arts and a Master of Arts Degree. Mr. Jones has held his position for twelve years. He is a familiar figure to all of the students, and always makes time to stop and say "hi" to them.

W H Jones

Mr. Rob Roy Walters has been Principal at Avon High for three years. He has attended Ohio University, Kent State University, and Western Reserve University. He did undergraduate work in History, Government, English, and Natural Science. He did graduate work in School Administration. Mr. Walters has a Bachelor of Science Degree and a Masters in Education. Although Mr. Walters has been at Avon for only a short time, he has his roots planted firmly and is well known by everyone in the community.

cooks

For the first time in many years, the kitchen is under new management. Surprisingly enough, all of the new cooks are Senior "moms." They are LEFT TO RIGHT: Mrs. Persensky, Mrs. Forbes, and Mrs. DeChant.

BUS DRIVERS

LEFT TO RIGHT: Mrs. C. Pincombe, Mrs. S. Urig, Mrs. D. Burge, Mrs. F. Bockmiller, Mrs. P. Taylor, Mr. W. Klingshirn, Mr. R. Seders, Mr. G. Knight.

"the boys"

These students have greatly helped the cooks in preparing the delicious school lunches throughout the school year.

The two senior boys helping in the kitchen are J. Gilles and G. Zilka.

KITCHEN HELP

LEFT TO RIGHT: S. Schatschneider, G. Becker, M. Gagich, K. Madarasi, N. Johnson, M. Zilka.

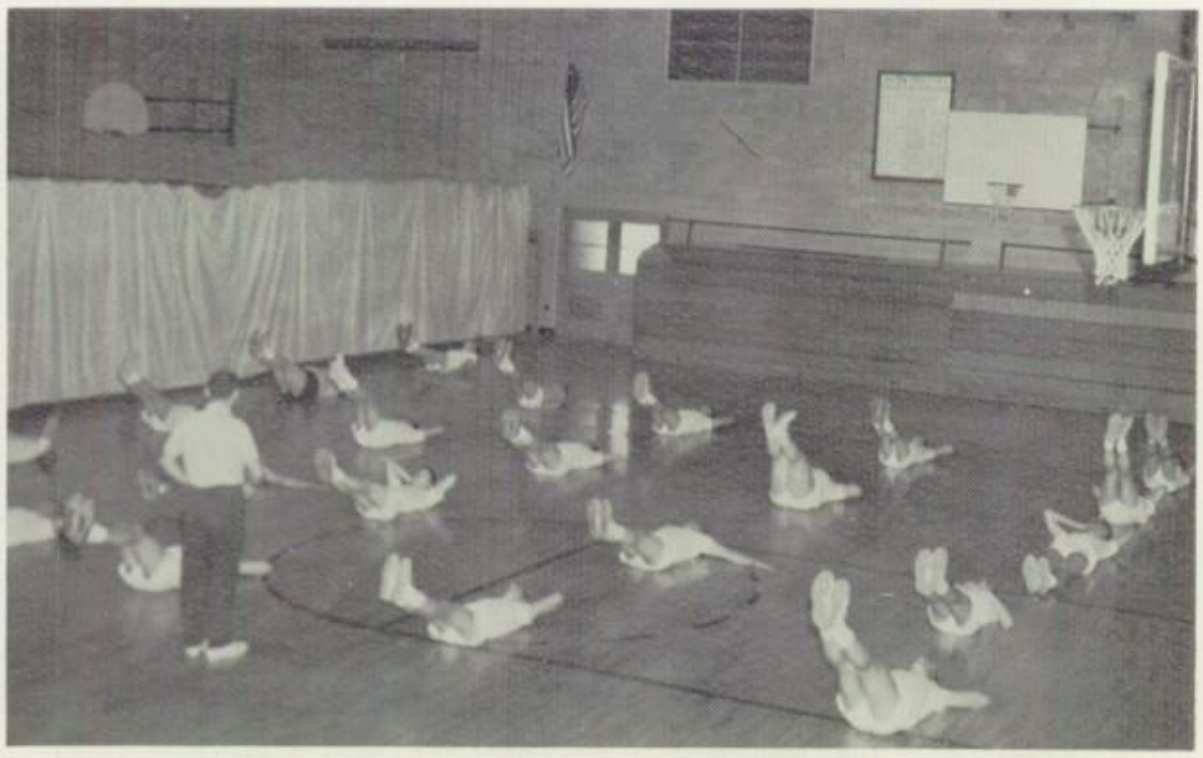
At left are Mr. Lee Hubbard and Mr. Laverne Bratton. Throughout this past year they have gone out of their way to help the students at A.H.S. Mr. Hubbard (Whitey) arrives early in the morning to prepare for the usual daily activities. He should be commended for the many times he has been put out of his way to aid the students and teachers with their problems. Mr. Bratton is not seen very often during the school day, but he is hard at work after the halls are cleared.

maintenance

At right is Mr. George Mitchell, head maintenance director. He is in charge of all three public schools in carrying out the general maintenance duties.

"Well, what else do you want us to do?"

"Really, Ed, you would do almost anything to get in a picture!"



"Aw, come on boys. Please get up!"

leaders of the future .
